

A successful concessions program starts with packaging that enhances the experience and showcases your brand. From popcorn buckets, tubs, scoops, and boxes to cold cups with coordinating lids, drink carriers, carryout trays, food trays, and clamshells, our versatile paperboard portfolio is designed to support a wide range of concession offerings across theaters, stadiums, arenas, and festivals. Clay-coated and low-density polyethylene (LDPE) coated bleached paperboard (also known as solid bleached sulfate or SBS) products provide a crisp white surface for high-impact graphics, while kraft carriers deliver the strength needed for today's busiest concessions stands. With smart designs that maximize convenience, portability, and presentation, our packaging helps operators serve efficiently and create memorable moments for their guests.

Circularity

- Fiber used meets the Sustainable Forestry Initiative® (SFI®) Certified Sourcing standards, ensuring it comes from responsible, renewable sources
- Recyclability varies by product
- Free of intentionally added PFAS

Functionality

- Made in the USA, allowing for supply chain security and efficiency
- Popcorn buckets and tubs ship nested; boxes and scoops ship flat for space-saving efficiency
- Popcorn boxes feature secure closures - perfect for prepackaging, crowd sales and on-the-go enjoyment
- Available in custom print by special order

Convenience

- Drink carriers and carryout trays provide a secure and easy way to transport multiple menu items
- A broad lineup of cups and cartons built for concessions favorites, ensuring convenience and satisfaction at every purchase
